During this time of uncertainty, some restaurants have made adjustments to their regular way of distributing food. You can call ahead to the restaurant of your choice, or check their social media accounts. Below is a listing of what we know local restaurants are doing over the coming weeks. This is subject to change and we will work to update you as we are informed.

Please know the Durant Area Chamber of Commerce and Durant Main Street will continue to market our businesses in any way possible

IT'S GOING TO BE OKAY!
